

United States balanced Tires

Prepare For Active Service

Tough, sturdy, enduring, United States Tires are always ready for Active Service.

Put them to the test—use those of the five which were made for your car—see how they stand up under the shock and strain of the severest road combat. And—

Once you have tested them, you, too, will see why they have been awarded the ribbon and seal of the United States Rubber Company.

Ask the nearest United States Tire Dealer for your copy of the booklet, "Judging Tires," which tells how to secure the exact tire to suit your needs.

RANDOLPH

Mrs. Bartholomew McKenna died at her home on Monday morning, following an operation for the removal of a malignant growth, which was performed less than a week ago. Mrs. McKenna had been out of health from the effects of diabetes for the last four years, and under that condition could not rally from the operation. She was taken to her home on Saturday, preferring to be there for her last hours. Mrs. Emogene (Wilcox) McKenna was born in Madrid, N. Y., 46 years ago, and had been married to Mr. McKenna 27 years, and 17 years of this time she had lived here with her family. One son, Laurence McKenna, was born of this union, and the family was a very happy one. Deceased is survived by her husband, the son; a father, James Wilcox of Madrid, who is now here; a step-mother, who was unable to be present; a half sister, living in Detroit, Mich., who was also unable to come, and one brother, James Wilcox, who is the station agent at Richford. The funeral was held from the Catholic church, of which she was a devoted member, this morning at 9 o'clock, Rev. M. S. O'Donnell officiating, and interment was in the Catholic cemetery. Mr. McKenna has been for years the foreman on the section here, and he and the son have the sympathy of the community.

Why Paint for Looks Alone?

Many property-owners paint for beauty's sake alone. Wise ones paint to preserve as well. The latter invariably use lead-and-oil paint, the kind that is made of

Dutch Boy Atlantic White Lead

and pure linseed oil, mixed on the job, by the painter, to exactly meet surface and weather conditions. Paint made this way of these prime materials neither cracks nor scales. It gives the utmost in appearance and protection, at the lowest cost per year.
